Exceptional Grove Park house, filled with timeless style and unforgettable character, invites you to call 74 Edwin Place home. Upon entering the main house, you are met with impeccable details that elevate your expectations and excite you to see more! The main level flows effortlessly to create a premiere entertaining experience between the eat-in kitchen, formal dining room, living room, den, and sunroom. The spacious floor plan offers 6 bedrooms, 5 full bathrooms, 4 fireplaces, vast storage in numerous closets, and laundry connections on two levels for prospective multi-generational living. Great Southern homes have a connection between indoors and out; with over 1,600 SF of covered porches, dining alfresco while overlooking picturesque manicured gardens will quickly become your favorite pastime. The carriage house presents opportunities for revenue, office accommodations, or guest quarters. Parking will be no issue with a gated driveway and a detached oversized one-car garage.
